Hilger u. Kern/Dopag Group acquires Meter Mix Systems Ltd

We are very pleased to announce that as of 04 November 2014, the Hilger u. Kern/Dopag group has acquired the business activities of Meter Mix Systems Ltd.

The Hilger u. Kern/Dopag group is firmly established as a world leader in the field of metering, mixing and dosing technology and the Meter Mix product will supplement their existing product range enabling the group to positively react to constantly changing customer requirements in all growth market areas.

The merger of the two companies creates one of the world's largest suppliers of components and systems in the area of metering and mixing technology and is a major milestone in achieving the group's medium term aim of placing itself amongst the top 3 suppliers in all relevant target markets.

Meter Mix Systems Ltd will continue to trade and manufacture in the UK supplying the established Meter Mix® brand product on a global scale.
